a having a considerable less preference.

2. Firstly I have to say that the first preference given to the men of S.S.C. Exam. Due to this almost all posts of teachers that are being ~~a vacanted~~ will be filled in by the men of S.S.C. and due to the S.S.C. examinations twice in a year many No. of students will get through the Exam. every year. And due to the unemployment problem S.S.C. fellows will rush upon such selections and accordingly all vacancies of teachers will be filled in. But may I say that the men of S.S. ~~xxx~~ thus appointed, can seek other jobs paying high salary in Govt. Depts. When the opportunity comes to them they will instantly leave this job and join the other. Mostly they have no interest in the services of teachers which can pay comparable salary than the others. In addition they cannot teach in well manner being untrained. Such facts, Your Honour, would have been considered while issuing the instructions.

3. ~~Then the 2nd preference is given to the men of~~ Loc-Shala who can be counted by fingers. Few of them may be chosen. I think this preference is below the marginal utility.

4. Then comes to the point of men of P.S.L.C Exam. who have obtained minimum 50% of marks ~~in the~~ in the same Exam. Even to these men no posts will be given but their names may be kept in the waiting list. Every year they may be called for interview but no appointments of such men as it is too below the marginal utility i.e. no such fellows will be required.

5. Then comes to the 4th item which, I say is last and my category which is worthless. The men of this category ~~is~~ are fastened with a bolt of keeping the condition that they must have obtained at least 45% marks in the P.S.L.C. Exam. ~~is it~~ ~~right~~ Sir, is it right to ask the Graduate man the marks he obtained in ~~the~~ S.S.C. Exam? Due to so many miserable conditions they might have got less No. of marks in P.S.L.C. Exam as the men of this category are almost very poor. In this connection I humbly beg to request Your Honour, please see that whether

they have passed the 2nd year training course and these men
will kindly be given 1st Preference as these men have attained
 goal of passing this 2nd year training Exam, by taking the help
 of others, some by taking loans, making debts and some even
 by selling all their property. Almost all such men are very
 very poor. That is why, they are unable to continue the further
 studies i.e upto the S.S.C. Exam. Otherwise they would have
 continued the further studies and passed the same instead
 passing the 2nd year Training Exam. Sir, I am very very
 poor that cannot be expressed in words and as such under
 great difficulties I have passed the 2nd year P.T.C. Exam. in
 the year 1951 knowing that, when I pass this Exam, keeping me
 my door from the wolf will end. Coming to know that I should
 get 45% marks in the P.T. S.L.C. Exam. alas, that these new instructions
 will certainly leave me in the lurch, as I have got
~~only 45% marks in the P.T. S.L.C. Exam. Due to these new instructions~~
~~there will happen great, great loss which is irreparable.~~
 These will affect to us--trained as a bolt from the blue.
 Sir, I beg to say that if these instructions would have
 issued previously I would have not learnt the 2nd year P.T.
 Exam. ^{incurring} making myself ^{to} great losses as mentioned above, and I have
 have chosen other lines which ~~are~~ were beneficial and within
 my reach. Therefore Sir, Kindly inform the Municipal ~~Office~~
 School Board Office, Bijapur that the previous orders ~~will~~
 should be followed, in case of ~~any~~ 2nd year trained already
 passed, ~~in selecting the~~ in selecting the
 candidates for teachers' posts.

6. May I beg to bring to your kind notice that trainees
 are meant for teachers' posts only and keeping this purpose
 behind them they took training; and as per your instructions
 we were allowed to be trainees for this course.

Hoping my request may kindly be considered

I beg to remain
 Sir,
 Yours Faithfully.

(2) With ref. ~~xxxx~~ to his No. 511 of 18-6-1952, I have to state that I have obtained 43.5% marks in the P.S.L.C. Exam.

(3). During my service as teacher under your kind control I have done my best and this is also judged by your honour. Besides this I have served for two years as a teacher in the Registered School at Shikalwadi of Bagewadi Taluka and for which, I may produce the certificate from the Asstt. The M.L.As. from Bijapur complained to me that while giving higher chances to the Primary School teachers in Bijapur District an injustice is being done. They pointed out two instances of Shriyuts D.G.Itti and B.M.Kaujalgi. These two teachers have put in 33 and 32 years of service respectively. The following comparative table will show clearly how some of the teachers who have served for less number of years than Shri Itti and Kaujalgi have got the chance of Head Masters.

Both the teachers are "deemed trained" and
are drawing the same pay, but Shri Itti

he is exceptionally competent and capable of
teaching higher standards. I am, therefore,
asking the Administrative Officer to consider
his case also for appointment as Head Master
whenever a suitable vacancy occurs.

while awarding higher Grades.

Reference:- Your No.S-84(c)-341-V-D(Adt)
of 18th August, 1952.

Sir,

I am enclosing the copy of the application from Shri. Kowjalgi A.M. Marathi Boys' School No.3 Jamakhandi, which presumably has given rise to the above complaint. I have to offer my remarks as under.

Shri. Kowjalgi is a P.S.C., D.T. Teacher, whose Regional Language is Marathi. Since June 1946 (i.e. before merger) he was working as H.M. in the Rampur Kannada Ecys' School. Recently on his request he was transferred to Jamakhandi Marathi Boys' School No. 3 as Assistant Master. He could not be given the post of Head Master as there was a II year trained man already working as H.M. and as per instructions contained in G.R.E.D. No. S-72 of 6th July, 1950, Shri. Kowjalgi has pointed out certain other cases in the same locality i.e. Jamakhandi where D.Ts are working as H.Ms over the Trained Teachers whom are their A.Ms. In this connection I have to state that these teachers were not appointed as H.Ms recently. Shri. N.B. Kulkarni old I year Trained 1929 is serving in the Ferris School since 1-6-1946. He is not appointed as H.M. temporarily he is holding the charge on retirement of his predecessor Shri. Sabade, who was III year Trained and H.M. of the Ferris School and who was also the Taluka Master of Jamakhandi. On the retirement of Shri. Sabade the charge of the Taluka Master was given to a II year trained person and Shri. N.B. Kulkarni is now holding charge of the Ferris School. As there is dearth of Senior Trained teachers in Marathi, he is allowed to continue being an old Senior I year Trained person.

Shri. A.R. Kulkarni P.S.C., D.T., H.M. Shakuntala Girls' School has been working as Head Master of that School since 1-7-46. The Trained Element brought into the school subsequently is too junior to shoulder the responsibility of such big school which has 460 girls on roll. Shri. Kulkarni is managing the school efficiently and confidently and I consider his continuation as H.M. of the Shakuntala Girls' School will be to the advantage of that Institution.

If Shri. Kowjalgi thinks that in view of his long service and Seniority, he should be appointed as H.M. he will be considered for the next post of Head Master of Jamakhandi Marathi Boys' School No. 2 where the present teacher serving as H.M. is P.S.C., D.T. and is on the verge of retirement i.e. in May 1953, but is junior in service to Shri. Kowjalgi. I may add here that there are very few Marathi Schools in this district and also very few Senior trained teachers in Marathi to enable me to effect any satisfactory adjustment if the question of reverting D.Ts, Senior and on the verge of retirement under the trained teachers is to be considered.

employees of equal qualifications.

Sir,

I beg to draw your honour's kind attention to the recent transfer of the abovesaid applicant under order No.208 of 19-6-53 from Rampur Head Mastership to the Marathi School No.3 at Jamkhandi as an assistant Master.

Before being transferred to this place I have put in 19 years service outside Jamkhandi. As Head Master of Rampur school I have put in six years continuous service. The diligence in service can be seen by the remarks by your honour for the last three years since the school came under the control of the P.S.I. and the remaining three years during the State regime. The question of inequality in treatment is quite apparent from the fact that no seniority nor the continuous holding of the Head Master's post for six years has been taken into account while effecting my transfer to the lower grade of an assistant Master teacher at Jamkhandi. However in due obedience to the order I have hoined my duties here. Now, therefore, the matter is put before your honour kindly consider it judiciously and on equitable principles.

In support of my contention it would not be out of place to quote the following examples wherein some of the employees of my department having similar qualifications & putting in longer period of service have secured the higher chances i.e. Head Mastership. They are as under :

Marathi School Jkd. (No.1)

1. H.B.Kulkarni, Deemed Trained H.M. Service 29 years. pay Rs.44/-
2. B.H.Calagali, Asstt.H. Full trained (1947) 6 years. pay Rs.44/-
3. D.R.Deshpande, Asstt.H. Full Trained (1951) 12 years, pay Rs.46/-
4. S.D.Joshi, Asstt.H. Metric Trained (1952) 6 years pay Rs.35/-

P.T.O.

These papers deal with the request made by Kumari Godubai G. Abdulpur of Bagalkot to appoint her as a primary teacher as a special case by condoning the ^{percentage} ~~200~~ of marks required for ^{recruitment to} the post of a primary teacher. In this connection please see the remarks furnished by the Dir. in his u.o.r. dated the 14-10-52. It will be seen therefrom that ordinarily Kumari G.G. Abdulpur is not eligible for preference for apptt. as a primary teacher, as she has secured only 43 percent of marks at the P.S.C. Exam. However in view of the peculiar circumstances of Kumari Abdulpur, the Dir. has stated that her case may be treated on the lines of the case of Shri Nanavati who was allowed by Govt. as a special case to be appointed as a primary teacher, in case the number of women candidates in the preferential list this year is small, as it used to be ~~the~~ the case in the past in Bijapur Distt. Before, therefore, a special case is made out for Kumari Abdulpur, it would be more desirable if she may get the post of a primary teacher in the ^{ordinary} ~~regular~~ course i.e. in case the number of women candidates in the preferential list this year is small as it used to be the case in the past. There is, therefore, every possibility of K. Abdulpur being taken up for the post of a primary teacher ^{in the ordinary course} ~~in the regular course~~. The Dir. has also instructed the A.O. Distt. S.B., Bijapur, to see that Kumari Abdulpur is appointed to a vacancy as soon as women candidates included in the preferential list are absorbed.

2. In the circumstances stated above, we may first of all ascertain from the A.O. D.S.B., Bijapur, whether there is any possibility of Kumari Abdulpur being selected for the post of a primary teacher in the ^{ordinary} ~~regular~~ course like Smt. Yellawa Khajjidoni.

Respected Sir,

I, the undersigned, Godhubai Gurusidd

I have passed P.S.L.C. Examination
(Kannada) with a total number of marks of 301. --
out of 700 in the year 1952. I have applied to
the District School Board Bijapur for the post of
a teacher but I learn that the percentage of ---
marks is less than what is required for the pur-
-pose. So, I beg of your honour to be kind enough
to condone the percentage and recommend my name
for the appointment, and issue instructions to
the Administrative Officer, D.S.B. Bijapur.

In the mean time, I beg to bring to
your honour's kind notice that my late father --
who served as Primary School Teacher (as Taluka
teacher at Hungund) for 26 years died without any
any pension etc., thus leaving his family ---
entirely in the wilderness. As a result we have
been struggling for maintenance since then. I --
have to maintain now my old mother, and two young
sisters who are entirely dependent upon me.

In the mean time I may be per-
-mitted to state here a couple of instances of --
condoning the candidate's percentage of marks, viz.
one Shri Nanavati of Kerur and another Mrs. Yellava
Khajjidoni of Bagalkot who have been appointed --

Government U.O.R. dated
14th July, 1952.

D, E's Office.

Kumari Godubai Gurusiddappa Abdulpur has secured 43 per cent of marks at the Primary School Certificate Examination, and is not, therefore, ordinarily eligible for preference for appointment as a primary teacher which is permissible in the case of candidates who have secured 50 per cent and more marks at the Primary School Certificate Examination in accordance with the recent instructions applicable this year as approved by Government. The Administrative Officer, District School Board, Bijapur, reports that her application was placed before the Staff Selection Committee which met on 9th September, 1952 and that, after interviewing her, her name has been included in the ordinary list 'B'. In the past, this Board maintained a separate list for women candidates, and if the number of women candidates included this year by the Staff Selection Committee in the preferential list 'A' is not adequate, as used to be the case in the past, there is every possibility of the candidates included in the ordinary list 'B' also being selected for appointment. The Administrative Officer is being instructed to see that Kumari Godubai is appointed to a vacancy as soon as women candidates included in the preferential list are absorbed.

2. As regards the two cases of special treatment referred by the petitioner in her petition of 1-7-1952, Shri Nanavati of Kerur was allowed by Government to be appointed as a primary teacher as a special case in Government letter, Education and Industries Department, No.S-49(2)/28501-F of 14-4-1948. In regard to the other case of Shrimati Yallawa Khajjidoni, the Administrative Officer reports that this teacher had obtained 42 per cent of marks at the Primary School Certificate Examination and had been included in the ordinary list 'B' during 1949-50. As separate lists for women candidates are maintained by the Board, and as only two women candidates had been selected and included in the preferential list 'A' during 1949-50, all the women candidates in lists 'A' and 'B' were appointed during that year. Kumari Godubai's case also may be treated on the same basis.

in

in case the number of women candidates
in the preferential list this year is
small.

Sir,

With reference to your No.P.T.R.3352/50092-A of 11-11-52
on the subject mentioned above, I have the honour to state that
since sufficient No. of applications from the eligible female
candidates for enlistment in preferential list were not received
female candidates scoring less percentage of marks including
Kumari.G.G.Abdulpur were interviewed by the Staff Selection
Committee in September last and a separate ordinary list has been
maintained for these candidates. Kumari.Abdulpur stands at S.No.
8 in the ordinary list. There is possibility of her being appointed
to the post of a Primary Teacher in the ordinary course
provided the Director of Education, who has been requested, to
allow the deputation vacancies to be filled in as sanctioned
in the budget for 1952-53. The following table shows the ^{no.} of
female candidates enlisted in Preferential and Ordinary lists
and also the estimated vacancies of lady teachers:-

These papers deal with the request made by Shri B. C. Chowdhari, a social worker of Bijapur, to give equal opportunities to all including the B.C.s on merit for recruitment to the posts kept open for general competitions over and above the specified reservations for the B.C.s. The fact of the case is that one Shri S. M. Jamadar, a B.C. candidate, had applied for the post of primary teacher, advertised by the D.S.B., Bijapur. Shri Jamadar was ~~not~~ called for the interview by the A.O., D.S.B., Bijapur, in spite of the fact that he secured 58% of marks at the Primary School Leaving Certificate Exam. The main argument advanced by the J.S. Committee is that according to the orders issued in G.R., E.D., No. RBC 1150, dt. 19th Jan. 1951, only 20% of the total posts are to be filled in from the B.C. candidates and as the number of such B.C. candidates is adequate to meet the demand for the year, no new B.C. candidates, in spite of their higher qualifications, were called for interview. Shri Chowdhari's contention is that that 20% is the minimum number to be reserved for B. C. candidates and if B.C. candidates with higher qualifications are available, they should ~~take place~~ ^{compete} with non-B.C. candidates on the strength of their merit.

2. The D.E. who was consulted in the matter, has furnished his remarks in his letter ^{of date} 29th Nov. 1952. It will be seen therefrom that the reservation of a certain percentage of vacancies for B.C. candidates does not debar such candidates from competing with other candidates for unreserved vacancies filled in by open competition provided the B.C. candidates are qualified to be considered for unreserved vacancies. The orders issued in G.R., E.D., No. RBC 1150, dt. 19th Jan. 1951 appear to have been misunderstood by the J.S. Committee D.S.B., Bijapur. The D.E. ^{has} therefore, ~~has~~ issued

issued necessary instructions to all the A.O.s
 that the limits laid down for the reservation of
 vacancies for B.C. candidates do not debar B.C.
 candidates from appearing for selection in open competition
 for the unreserved vacancies. In view of this no specific
 action seems necessary on these papers. Shri Chowdhari
 may, however, be informed that necessary instructions in
 the matter have already been issued to all A.O.s. The
 accompanying letter put up for approval may issue and the
 case may be closed thereafter.

Subject: Recruitment of Backward Class.

Request for

Respectfully sheweth,

The undersigned Shri B.E.Choudhari, B.A. (Hons)

LL.B., Social Worker of Bijapur has the honour of

representing the case of Shri Sadappa Madivalappa

Jamadar of Kennolli, Taluka Sindgi District Bijapur

as under:

The District School Board, Bijapur, had invited applications for the posts of Primary teachers. Along with with the other candidates, the said Shri S.M. Jamadar had also applied for one of the posts within the prescribed period of time.

The said Shri S.M. Jamadar comes from Backward Community viz. Talavar by caste. He is an eligible candidate in respect of qualification, age and other requirements.

The interviews for the appointment of the said post, were held on 4th and 5th at Muddebihal and on 7th, 8th and 9th of September 1952 at Bagalkot, District Bijapur.

The said S.M. Jamadar was not called for interview on the dates referred to above and on being enquired as to the reasons for the same, it is learnt that the enlistment of Backward Community candidates for the posts of teachers is maintained at 20 percent and hence there was no necessity of calling Backward Community candidates for interview.

Being aggrieved by the opinion of the Appointing Authorities, the matter was represented before the Chairman and the members of the Staff Selection Committee, District School Board, Bijapur, at their joint sitting at Bagalkot, clarifying the position that the reservation of 20 percent maintained for recruitment of Backward Community candidates is the minimum required by law to be filled in for III class Government services and there is no bar for recruiting Backward Community candidates ~~xxxxxxx~~ over and above 20 percent in case Backward Community candidates with good merits are available to compete with the general candidates on merits.

The Staff Selection Committee unanimously opined that it is a point for consideration and assured that the opinion of the Authorities concerned will be solicited and this case will be considered as a representative and test case and on receipt of the instructions from the higher authorities in the matter, the matter will be urgently attended to.

On being aggrieved by the rules adopted by the Staff Selection Committee, District School Board, Bijapur for recruitment of candidate for the posts of teachers, it is appealed to your Honour on the following amongst other grounds.

The reservation of 20 percent for recruitment of III class Government services for appointment of Backward Community candidates is the minimum required by law to be maintained and there is no limit for the maximum to be recruited in case Backward Community candidates with good merits are available to compete with the general candidates on merits.

The fundamental right of Backward Community candidates of securing equal opportunity along with others for recruitments on merits cannot be barred by

the artificial rules of recruitments by fixing the total appointment of Backward Community candidates to 20 percent.

The said S.M.Jamadar referred to above has passed the Primary School Leaving Certificate Examination by securing 409 marks out of 700 marks with a percentage of about 58% for the total. He has also passed the Second year training examination with about 51% percent of marks.

The Staff Selection Committee, District School Board, Bijapur, has called trained intermediate candidates who have secured 47 percent of marks in the Primary School Leaving Certificate Examination and have not called for interview trained Backward Community candidates who have secured 58 percent of marks in the P.S.L.C. Examination. Such rules of excluding Backward Community candidates from recruitment are against the policy of the State of Bombay in recruiting Backward Community candidates for Government services and is highly unjust.

On personal discussion with the Staff Selection Committee, District School Board, Bijapur, it transpired that there are instruction from Government that 2 Backward Community candidates should be recruited for every 10 appointment. In the contest it is submitted that what it means is that for every ten appointments at least 2 Backward Community candidates should be recruited without any bar for recruiting more than 2 on merits.

Assuming that there are 10 vacancies to be filled and the double the number of candidates i.e. 20 are called for interview including the Backward Community candidates and assuming that 10 eligible Backward Community candidates come in the rank of top priority on merits from 1 to 10 i.e. all the 10 Backward Community Candidates.....

candidates have secured 70 to 80 percent marks other thing being equal and the general candidates have secured 45 to 55 percent of marks other thing being equal, it is a matter of common prudence that all 10 Backward Community candidates should be recruited in consonance with the efficiency of the administration. Under such circumstances it is absurd to recruit only 2 Backward ~~Class~~ ~~Community~~ Community candidates and General candidates.

The Special reservation presupposes non-competence of Backward Community candidates with the general candidates and hence a minimum number of appointments are reserved for Backward Community candidate, without in any way barring their right of competing with general candidates on merits.

The percentage of 20 for Backward Community candidates cannot be fixed as maximum as it will contravene the provisions of the Constitution of India of providing equal opportunities for all without discrimination of caste and creed. The Special provision in the Constitution of India of providing facilities and privileges for ten years for Backward Classes is for showing special concessions for non-competent eligible Backward Community candidates and not for fixing the specified percentages, for ten years without regard to the merits and general competence of Backward Community candidates. The present classification of Backward Class and non-backward class groups for appointment cannot be maintained under the constitution. There cannot be non-backward class group for appointments. It must necessarily be general group. So the classification should be Backward and general and general including Backward classes on merits without preference.

~~xxxxxx~~ This fixation of ratio works much hardships. As is being construed by some appointing authorities, the reservation does not contemplate 20 percent of Backward Community.....p.5.

Community candidates to the total existing staff, but maintainance of 20% to future recruitments from the ~~date of~~ the Government Resolution. ~~Once~~ the 20% is maintained the competence of the Backward Community candidates to try for more than 2 post for every 10 appointment on merits will be taken away. So it is requested that Backward Class condidates must be filled for the vacancies so as to form 20 percent to the total existing staff. ^{when} ~~once~~ the 20 percent of

It is requested that Backward Community condiates is filled in, they should be given ~~for~~ ^{free} competition for further recruitments over and above 20% on merits.

As contemplated by the Constitution of India there cannot be two groups for recruitments of Government services as Backward Classes and non-Backward classes. Such a classification offends against the spirit of the Constitution. All that can be maintained is certain percent of reservation for Backward classes and over and above that percent free competition on merits without any preference to any caste creed or group including the Backward classes.

Under the circumstances explained above, the instruction be issued to all the departments to give equal ~~opportunities~~ for all including the Backward Classes on merits for recruitments in general - competitions over and above the specified reservations for the backward classes.

Soliciting the favour of an early action and thanking in anticipation.

Yours faithfully,

B. B. Choudhary

Recruitment of Backward Class Candidates.
Letter from Shri B.E. Chowdhari

Reference Government Endorsement, Education Department,
No. PTR 3352/43746 of 18th September 1952, calling for my remarks
on the letter of Shri Chowdhari in the matter of selection of a
candidate Shri S.M. Jamadar, for a teacher's post under the
District School Board, Bijapur. In this connection I enclose for
the information of Government a copy of letter No. 2019 of 17th
September 1952 from the Administrative Officer, District School
Board, Bijapur and of the Staff Selection Committee's Resolution
No. 10 dated 11th September 1952. In Government Resolution, Educa-
tion Department, No. RBC/1150 of 19th January 1951, Government
have laid down certain percentages of vacancies filled in by
direct recruitment in the various services and posts to be
reserved for the members of Backward classes - vide Appendix F
to the Government Resolution. The reservation of a certain
percentage of vacancies for Backward Class candidates does not
debar such candidates from competing with other candidates for
unreserved vacancies filled in open competition provided the
Backward Class candidates concerned are qualified to be

considered

considered for unreserved vacancies.

The orders of Government in this regard appear to have been misunderstood by the Staff Selection Committee, District School Board, Bijapur, which holds that the 20% reserved vacancies represent the maximum number of appointments to be filled by Backward Class candidates.

I have since issued instructions to all the Administrative Officers that the limits laid down for the reservation of vacancies for Backward Class candidates in Appendix F do not debar Backward Class candidates from appearing for selection in open competition for the unreserved vacancies.

The accompaniment received with the Government endorsement quoted above is returned herewith.

Subject: Recruitment of Candidates for
Teachers Posts from Backward
Class Candidates.

Sir,

I have the honour to enclose a representation from Shri B.E.Choudari Pleader Bijapur on behalf of the Backward Class Candidates for recruitment to the posts of Primary School Teachers along with the resolution of the Staff Selection Committee in the matter for instructions. So far only 20 per cent of B.C.Candidates are appointed in proportion to the total number appointed from time to time. As the candidates on the list for the year 1951-52 are necessarily to be included in the list for 1952-53 and as the number of such B.C.Candidates is adequate to meet the demand for the year 1952-53, no new B.C.Candidates in spite of their higher qualifications were called for interview. Shri Choudari maintains that 20 percent is the minimum number to be posted and if B.C.Candidates with higher qualifications are available they should take place with Non-B.C. candidates on the strength of their merits.

Yours faithfully,

Sd/.

Administrative Officer,

Subject:- To consider the application of Shri B.E.Choudari in the matter of recruitment of Backward Class Candidates for appointment as Primary School teachers.

Resolution: Read the application from Shri B.E.Choudari for considering the B.C.Candidates along with the Non-B.C.candidates in addition to the minimum of 20 percent reserved for B.C.candidates and resolved that it should be forwarded to the Director of Education, Poona for clarification. The Committee holds that the interpretation put forth by Shri B.E.Choudari is not correct. No candidates from Backward Class were called for interview this time as there were adequate numbers of candidates on the list.

Shri H.S.Peerjade, Bagalkot.

He has made out a case that those teachers who had passed first year training 1936, 37, 38 are adversely affected while applying selection grade. The fault is not theirs but they were not allowed to go in for second year training despite constant requests. ~~that~~ Therefore he requests that his case should be reviewed as his work is throughout efficient. He has passed his second year training in 1947 when he was allowed this training. He therefore requests that his case should not go by default.

माननीय शिक्षणमंत्री दिनकरराव देसाई मुंबई राज्य
यांच्या सेवेशी,

सविनय सादर प्रणाम, परम सेवक एच. एस. पीरजादे हेडमास्तर
उर्दु मुलांची शाळा नं. २ बागलकोट यांची नम्र विनंती —

मी एक गरीब शिक्षक आहे. आजपर्यंतचे माझे
काम उत्तुंगतेने झाले आहे. असा माझा आत्मविश्वास आहे.

माझ्या सारख्या शिक्षकांवर कोणत्या अन्याय झाला आहे. हे
माझी वैशिष्ट्ये व इतर हकीकत वाचून स्वारी कल्पना येईल.

म्हणून पुढील वैशिष्ट्यांच्या खुलासा केला आहे:—

१) १ लें वर्ष ट्रेन्ड १९७७ शें. गुण ५२

२) २ रें वर्ष ट्रेन्ड १९४७ शें. गुण ५९

३) सर्टिफिकेट क्र. ता. १-२-१९७४ इ.

४) सातवीचा क्रस सन १९७८ ते १९८२ पर्यंत व
सन १९८० ते १९८१ पूर्ण शिक्षा अंमलीत येऊन
यशस्वी केला आहे. (सावेकी मी उर्दु मुलांची शाळा
नं. १ मध्ये आसि. होले.)

५) लढरी रिकलर शे. ५० ते ८० पर्यंत झाला आहे.

६) हल्ली मी ता. ८-६-१९५१ पासून उर्दु मुलांची शाळा
बागलकोट येथे हेडमास्तर म्हणून काम करीत आहे.
या शाळेला मी आल्यापासून बालकांची व शिक्ष-
कांची संख्या वाढली आहे. जाणी-येथी इतके
पर्यंतचे काल असून मी पुढी कुरस वाढविला आहे
मुसलमानांची जमसंख्या १०१२ हजार आहे.

याशिवाय शैक्षणिक संमेलने, सामने स्वेक इत्यादि
कोणत्याही शैक्षणिक चकनकीत भाग घेऊन पाठ-
च्या बगेर मी केलेली आहे. नमुन्याचा पाठ दिला
आहे व देण्याची पात्रता आहे.

मात्र माझे माझी वैशिष्ट्ये असली तरी नवीन प्रगार
खुलापासून माझा व माझ्या प्रमाणे ज्या शिक्षकांची स्थिती
आहे त्यांच्याही काडीच्याही कायदा झाला नाही.

याला कारणां आहेत तीं अशीं:—

१) सन १९८८ मध्ये जे ट्रेनिंगसाठी निवडले गेले त्यांना सतत दोन वर्षे ट्रेनिंग देऊन १९८० साली पुढे ट्रेनिंग बनविण्याची पध्दती पडली. मात्र १९८६, ८७, ८८ च्या एप्रिल महिन्यांत १ व्या वर्षाला वरून पार झालेले त्रीशेहून जास्त तसेच राहिले. पुढे ट्रेनिंग पध्दती हे ट्रेनिंग न होणे तसेच ठेवण्यांत आले. त्यांना निवडलेले २ व्या वर्षाला पंधराव्यांमध्ये आले नाहीत. त्यामुळे जर पंधराव्यांमध्ये आले असते तर श्री आर. माझ्यासारखे त्रीशेहून जास्तच्या नेकेला तसेलक्षण भेटले हद्दपार झाले असते. २३ वर्षे विनाकारण मध्यंतरी गेल्यामुळे माझ्या सारख्या सर्व शिक्षकांचे कुठसाण झाले आहे त्या त्रीशेहून जास्त मीही एक आहे.

मी त्यावेळी २ व्या वर्षाला निवडल्यावद्दल प्रत्येक वर्षी असे कुठसाण झाले आहे. पण दार झाली नाही. पण माझा त्यांत काय दोष आहे?

२) त्याच कारणां B.C.S.R. सल्लाही आम्हांला फायदा झाला नाही. कारण श्री १९८५ पूर्वी १ ले वर्षे झाले त्यांची सर्व्हिस वरून त्यांना पगार मिळाला आहे व मिळतोही. पण आम्ही ८६, ८७ व ८८ च्या सुमारास १ ले वर्षे पार झाल्यामुळे आम्ही कुठेही ठरलो नाही. आपल्याच १९८५ च्या अध्यादेशांत बिलकूल फेरफार नाही. म्हणूनच अग्राय जाणवतो आहे. विचार करणाऱ्यांसारखा प्रश्न आहे इतकंच. तरी हा १९८५ चा निषेध काढून टाकून फेरफार झाल्या पासून डीमिटेड वरून पगार आकारणी व करणे नये हा विचार आहे. कारण ३५, ३६, ३८ सालच्या १ ले वर्षे झालेल्यांनाच अग्राय झाला आहे. पुढे ४६, ४७, ४८ साली हे २ रे वर्षे देऊ झाले आहे.

(3) उगातांची सिलेक्शन देण्याची पद्धति :-

5

पुन्हा ट्रेड म्हणजे दुसरे वर्ष ट्रेडांनाच देतात त्यांच्या योग्यतेबाबत विचार घुड्डवेलां होत नाही कोही सिलेक्शन प्रेड मिळालेल्या हेडमारांनाच शाळेचा रेशनल जाते हीन दर्जाचा झालेला आढळून येतो. तरी पण त्यांचे सिलेक्शन कायम टिकते. हा कोणता न्याय म्हणावा ?

8) वरील प्रमाणे विचार करतां माझ्या सारख्या शिक्षकांचे काम अत्युत्तम झालेले असून न तसे काय उत्तम असल्याबद्दल वरील अधिकाऱ्यांची स्वास्त्री झाल्यास आता शिक्षकांना सिलेक्शन प्रेड मिळू नये ? आमच्या सारख्या शिक्षकांना योग्य विचार करून सिलेक्शन प्रेड मिळ्याबद्दल तुम्हा न्हावा अशी नम्र वि. आहे.

पगाराची विषयता दिली आहे हे खालील लक्षावरून ठरून येईल :- उदाहरणार्थ :-

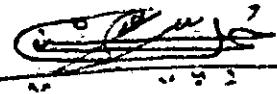

| सिलेक्शन नाही
प्रकार (1) :- | प्रकार (2) :- सिलेक्शन मिळाले आहे. |
|--|--|
| <p>उत्तम अत्युत्तम</p> <p>सततही काम शिकविलेले.</p> <p>असे शिक्षक आहेत.</p> <p>सर्व्हास जास्त झाली आहे.</p> <p>१ वे वर्ष १८३५</p> <p>२ वे वर्ष १८४७</p> <p>पगार मात - ४६ + ३५ = ८१</p> | <p>उत्तम अत्युत्तम</p> <p>सततही शिकवले नाहीत.</p> <p>शिकवलेले असल्यास विषय लक्ष्म.</p> <p>असे शिक्षक आहेत.</p> <p>सर्व्हास जास्त आहे</p> <p>सतत ट्रेड. सिलेक्शन मिळाले आहे.</p> <p>पगार ६५ + ४५ = ११०</p> <p>सिलेक्शनच्या पूर्वीचा पगार :-</p> <p>मात ४६ + ३५ होता.</p> |

टीप :- मी स्वतः पाहिल्या प्रकारच्या सिलेक्शन प्रेड न मिळालेल्यामध्ये येतो.

He has commenced Service from 1-3-1934. He has passed his I Year Certificate Examination in the year 1937. Subsequently i.e. in the year 1947 he passed his II Year Certificate Examination. the advance copy of his report dated 7-1-53
in connection with the request from Shri D.B.
Nata, a Teacher under D.S.B. Bijapur, to effect
change in his service book i.e. to show the
date of commencement of his service as 1-8-26
(considering his services in the approved school)

instead of the date 1-6-1937 which is actually
shown in the service book and according to
which date his pay is fixed with G.R.E.D.
S-72 dated 16-3-48. For the reasons given in
his letter dated 7-1-53, the A.O. has stated that
his request to effect change in his service book
and to reckon the whole service from 1926 for
fixation of pay with G.R.E.D. S-72 dated 16-3-48
cannot be accepted. Further as he is an unqualified
hand, his request to treat him as a deemed
trained teacher cannot be granted. The remarks
of the D.E. may be awaited. This may be
submitted to M.E.D. at this stage for information.

The Director of Education,

Subject: Revised Scales of Pay as per G.R.E.D.No.S-72
dated 16-3-1948.

*Dy. M. for
Education
may see
Sir,
17-12-52*

I, Dhariyappa Bhimappa Nala, a Primary School Teacher
of Tikota (Merged State School in Kurandwad State) now serving as
Assistant Teacher Utnal, Taluka Bijapur most humbly beg to state the
following words of request for your sympathetic consideration:-

*This is an advance
copy sent by the
applicant through
-G.O.S.B.
Bijapur.*

I was running an approved School in Tikota from 1926
and the same was converted upto a Government School in 1937. I was
taken over along with the School and was considered as a State - -
Government Teacher and was allowed the scales of pay applicable to the
qualified Teachers. The State Government introduced a test examination
to all acting and officiating hands in all departments and those who
passed the test examination held by the departments were subsequently
confirmed. Thus I am taken as qualified and permanent from 15-7-1937.
(Extract copy from the State Gazette is enclosed for favour of perusal)
Though the commencement of my service is 1-8-1926, the same it appears,
has been taken as 1-6-1937 in my service Book. Thus I have lost the
benefit of my previous service which necessarily earns increments in
proportion to the Service rendered by me.

Now I request that I may be taken as a qualified teacher
as notified and declared in the State Government Gazette and be allowed
the revised scales of pay as sanctioned in G.R.E.D., No.S-72 of 16-3-1948
and further be granted the benefits recently announced by Government to
all deemed trained teachers. I have not received any increments and am
kept on the initial pay of Rs.35/- uptill now. Thus I am put to loss.
Hence I pray for justice and fairness from your kind heart.

Hoping to be favourably considered.

Utnal,
6-12-1952..

Your obedient servant.

File No. PTR 3352

Date A-9-1-53

Serial No. 1601

Subject:- Request for revised scale of pay as per
G.R.F.D.No.8.72 of 16-3-1948.

With reference to your No. PTR 3352/65199-A of -

30-12-1952, regarding the subject cited above, I have the
honour to state as follows:-

1. The teacher's contention made in his application is
that he was taken along with the approved school that he was
conducting since 1926, by the state Government in the year -
1937 and that the state Government, instead of counting his
service as approved school-teacher from 1-8-1926, has taken
into account only from 1937, and made entry in the service
book 1937 as commencement of his service and that this being
a loss to him in fixing his pay etc, after merger of state,
his services be now counted from 1926. The Service Book of the
teacher shows 1-6-1937 as the commencement of his service.

2. This teacher ought to have put forth his grievances
before the state authorities soon after his absorption. He has
remained silent for nearly 12 years after his absorption, till
the date of merger of state. By the by, point arises that if a
rule to the effect ^{that} approved-school services be taken into
account for all purposes was in vogue, the state Authorities
would have made entry accordingly and services would have been
shown as commenced from 1926 in his S.B. In view of these cir-
cumstances and in the absence of any authority in support of
his statement his request to effect changes in his S.B. and to
allow the whole service from 1926 for fixation of pay under
G.R.F.D.No.8.72 of 16-3-1948 cannot be accepted.

3. Further, his request to treat him as a deemed trained
teacher cannot be granted as he is an unqualified hand.

4. The original application is returned here-with.

Yours faithfully.

To,

THE MINISTER OF EDUCATION, POONA.
P O O N A.

Sir,

The undersigned signatures beg to submit as follows:-

The undersigned seven persons were appointed as - - -
~~primary teachers by the District School Board Bijapur in~~
~~presence of the order issued by the Government of Bombay,~~
The order of the Government was to the effect that those -
who have suffered in political movement will be appointed
as primary teachers. Accordingly we have been selected after
being interviewed by the staff selection committee of District
School Board Bijapur.

We have satisfied all the tests for being appointed as
primary teachers. ^{and} accordingly we had been appointed and
served for five months. But like bolt from blue, we are
intimated by the Authorities that our services have been
~~discontinued~~ and we are asked to apply denovo. This means
our previous interview and our previous ^{service} and everything is
gone, and we are to start our life afresh ^{in view of our difficulties} for difficulties
and worries may be imagined. So, we submit that we may be
taken up immediately after consideration of our services.
to the nation.

Thanking you.

Many Staff Selection Committees, particularly of small Authorised Municipalities, are experiencing considerable difficulties in regard to the allotment of the available vacancies of primary teachers among the various categories of candidates included in the Preferential list. They seem to be under the impression that if a sufficient number of candidates passing the S.S.C. Examination are available, all the vacancies should be filled by such candidates. This was not the intention; as, apart from increasing the cost of education, it would lead to unemployment on a large scale of trained candidates for whose training Government has spent a considerable amount of money.

In partial modification of the instructions issued under this office Circular No.S-99/631-D(R) of 21st May, 1952, the following revised instructions are provisionally issued in so far as appointments for this year are concerned. The candidates should be selected in the following order :

- i) All holders of the Lokashala Certificate;
- ii) All trained and untrained candidates who were selected after interview and placed on the Register of selected candidates during the year 1951-52, if any of them have still not been given appointments or have been relieved as their service was of less than six months;
- iii) All new candidates holding the Primary Teachers' Certificate or the Pre-Primary Teachers' Certificate, provided they had obtained at least 45 per cent marks at the P.S.C. Examination and provided they are found to be suitable at the time of the interview by the Staff Selection Committee;
- iv) Suitable candidates holding the S.S.C. or an equivalent certificate to be recruited up to 10 per cent of the estimated number of vacancies during the year;
- v) Candidates holding the P.S.C. with a minimum of 50 per cent marks to be recruited upto 30% of the estimated number of vacancies;
- vi) The remaining vacancies, if any, should be filled by trained candidates with a less than 45% marks at the P.S.C. Examination; and
- vii) Candidates holding the certificate of having undergone one year's course in the Shri Shahu Agricultural Forestry School, Kolhapur, with a minimum of 40 per cent marks, provided they had also obtained a minimum of 40 per cent marks at the P.S.C. Examination.

2. The revised instructions are meant for the current year only pending further orders of Government and if the list of candidates has been already made by the Staff Selection Committees prior to the receipt of these instructions, the actual appointments should be made in the order indicated in para.1 above and a fresh meeting of the Staff Selection Committee should be called as soon as convenient.

The underlying idea of these orders is that as far as possible, trained teachers should be selected, if available, to the extent of 50% of the vacancies, the remaining vacancies being filled by untrained candidates such as those who hold the Lokashala or S.S.C. or P.S.C. with more than 50% marks. If candidates of a particular category are not available in any area, the percentages laid down in clauses IV or V of para.1 above might suitably be increased at the discretion of the S.S.C. This order should be followed as far as possible in recruiting Backward Class candidates also in the vacancies reserved for them.
